

Arnold Small Bench - Cream

109026-CRM-ONE

PRODUCT OVERVIEW

The Arnold Bench in cream bouclé is a handy piece to have around. It works as a seat when you need one, a footrest at the end of the day, or even as a spot to drop a book or tray.

DESIGN HIGHLIGHTS:

Soft ribbed upholstery - provides visual interest.

Compact & Versatile - can be used as a bench, ottoman, or side table alternative.

Foam cushioned top - provides comfortable seating or a soft surface for resting items.

Lightweight construction - easy to reposition wherever needed.

Sturdy build - supports up to 100kg of weight.

WHY IS IT IN THE RANGE:

We keep the Arnold Bench in the range because it's genuinely useful. It doesn't take up much space but comes in handy all over the house.

FABRIC:

Fabric Composition: 100% polyester

Fabric Description: Bouclé

Durability: information not available

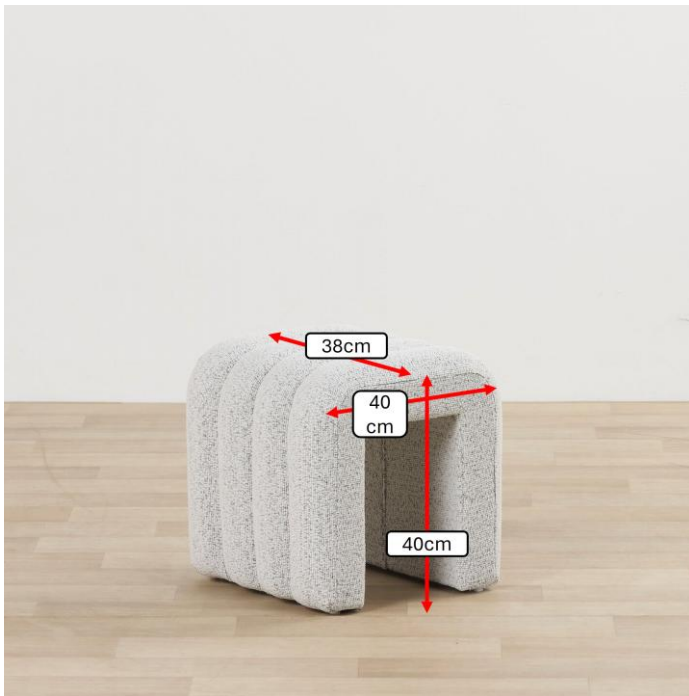

Pilling: information not available

CUSHIONING:

Foam

INTERNAL FRAME:

MDF

CARE & MAINTENANCE INSTRUCTIONS

To keep your fabric upholstery looking its best, vacuum regularly using a soft brush attachment on low suction to remove dust and everyday debris. A lint roller is also useful for quick touch-ups. Protect your fabric by placing the item away from direct sunlight, heat sources, and outdoor exposure—these can cause fading or deterioration over time.

Take care with sharp objects like keys, jewellery, or pet claws, which can catch or pull the fabric. Be mindful with dark clothing, especially new dark denim, which may transfer dye onto lighter upholstery.

For best support and longevity, ensure the item is placed on a level floor surface to prevent rocking that could stress the frame.

Spills and Spot Cleaning:

To help protect against future stains, apply the Pelle Fabric Protector as directed (available separately or part of the Pelle Fabric Care Master Kit). This creates a barrier to help repel liquids and reduce fabric absorption.

If a spill occurs, blot immediately with a clean, dry, colourfast cloth—do not rub, as this can push the stain deeper or damage the fibres.

For spot cleaning, we recommend using the Pelle Fabric Spot Cleaner (available separately or part of the Pelle Fabric Care Master Kit).

To keep your item fresh, the Pelle Fabric Deodoriser (available as part of the Pelle Fabric Care Master Kit) can be used as needed—particularly helpful in homes with pets.

Avoid harsh chemicals or household cleaners, as these may damage the fabric or alter its colour and texture.

For larger spills or a full refresh, we recommend professional upholstery cleaning to maintain the fabric's integrity and appearance.

PRODUCT RECOMMENDATION

Pelle Fabric Kit - Master 3pc. This contains:

- Fabric Spot Cleaner
- Fabric Protector
- Fabric Deodoriser

COUNTRY OF ORIGIN: China

MAXIMUM WEIGHT CAPACITY: 100kg

ASSEMBLY REQUIRED: No
