

Marana 2-Seat Sofa - Cream

109031-CRM-ONE

PRODUCT OVERVIEW

A compact 2-seater sofa with a rounded back flowing into wraparound arms. Its small footprint makes it a smart choice for apartments, bedrooms, or any space where flexibility and comfort matter.

DESIGN HIGHLIGHTS:

Rounded back and arms create a continuous sculptural shape.
Low profile seating with no visible legs.
Fixed cushioning for a clean finish.
Textured wrinkle look fabric adds depth and character.

WHY IS IT IN THE RANGE:

Offers a compact seating option with a great visual presence.
Distinctive curved shape contrasts with more structured sofas in our range
Works well as a standalone piece or paired with the matching swivel chair
A good fit for spaces with a relaxed or organic style

FABRIC:

Fabric Composition: 100% polyester
Fabric Description: Wrinkle look chenille fabric.
Durability: >30,000 rubs (Martindale)
Pilling: Grade 5 (after 2000 rubs)

CUSHIONING:

Seat Cushion: Made with 25-density foam for a firm base and a layer of 20-density foam on top to soften the feel and help spread weight more evenly.
Overall Seat Feel: Medium — comfortable for everyday use with a bit of give on top and solid support underneath.
Backrest: Single layer of 20-density foam with a soft feel but enough firmness to hold its shape over time.
Overall Back Feel: Supportive but not too hard — gives you something to lean into without sinking right back.

SUSPENSION:

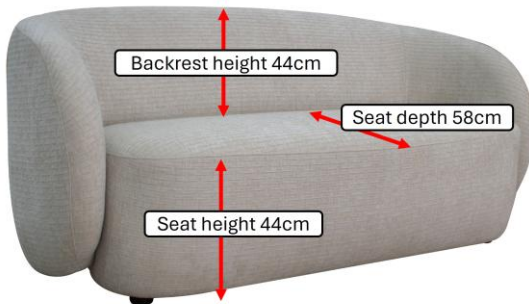

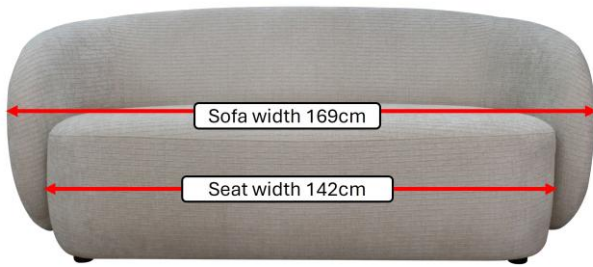

No-zag spring suspension in seat.

INTERNAL FRAME:

Plywood construction.

BASE:

Black polypropylene round feet.

CARE & MAINTENANCE INSTRUCTIONS

To keep your fabric upholstery looking its best, vacuum regularly using a soft brush attachment on low suction to remove dust and everyday debris. A lint roller is also useful for quick touch-ups. Protect your fabric by placing the item away from direct sunlight, heat sources, and outdoor exposure—these can cause fading or deterioration over time.

Take care with sharp objects like keys, jewellery, or pet claws, which can catch or pull the fabric. Be mindful with dark clothing, especially new dark denim, which may transfer dye onto lighter upholstery.

Avoid placing heavy weight on the armrests or backrest, as this may affect the item's structure over time.

For best support and longevity, ensure the item is placed on a level floor surface to prevent rocking that could stress the frame.

Spills and Spot Cleaning:

To help protect against future stains, apply the Pelle Fabric Protector as directed (available separately or part of the Pelle Fabric Care Master Kit). This creates a barrier to help repel liquids and reduce fabric absorption.

If a spill occurs, blot immediately with a clean, dry, colourfast cloth—do not rub, as this can push the stain deeper or damage the fibres.

For spot cleaning, we recommend using the Pelle Fabric Spot Cleaner (available separately or part of the Pelle Fabric Care Master Kit).

To keep your item fresh, the Pelle Fabric Deodoriser (available as part of the Pelle Fabric Care Master Kit) can be used as needed—particularly helpful in homes with pets.

Avoid harsh chemicals or household cleaners, as these may damage the fabric or alter its colour and texture.

For larger spills or a full refresh, we recommend professional upholstery cleaning to maintain the fabric's integrity and appearance.

PRODUCT RECOMMENDATION

Pelle Fabric Kit - Master 3pc. This contains:

- Fabric Spot Cleaner
- Fabric Protector
- Fabric Deodoriser

COUNTRY OF ORIGIN: China

MAXIMUM WEIGHT CAPACITY: 220kg

ASSEMBLY REQUIRED: Yes. Feet attachment only.
