CARE & MAINTENANCE INSTRUCTIONS

This marble surface is untreated. Marble is porous and can stain, particularly with dark liquids. Wipe spills immediately.

Keep out of direct sunlight and away from sources of heat.

Always protect the surface from hot and/or wet objects such as mugs, pots etc. by using trivets and coasters.

Clean any spills immediately with a soft damp cloth and mild soap. Wipe clean and dry immediately.

To protect the finish, avoid the use of abrasive sponges, chemicals, detergents and household cleaners.
