PRODUCT OVERVIEW

Crafted with a powder-coated aluminium tabletop and a sturdy powder-coated iron base, this table offers durability and a contemporary aesthetic. Its compact size makes it ideal for positioning beside seating arrangements, providing a convenient surface for drinks.

DESIGN HIGHLIGHTS:

Powder coated aluminium top - a durable surface resistant to daily wear and tear.

Compact dimension - perfectly sized for versatile placement.

Minimalist aesthetic - clean lines and monochromatic finish.

WHY IS IT IN THE RANGE:

We've included the Rowan Side Table as a small-scale drinks table option. We think this fills a gap in the range.

MATERIALS:

Black powder coated iron base. Black powder coated aluminium top.

CARE & MAINTENANCE INSTRUCTIONS

Keep out of direct sunlight and away from sources of heat. Always protect the surface from hot and/or wet objects such as mugs, pots etc. by using trivets and coasters. Clean any spills immediately with a soft damp cloth and mild soap. Wipe clean and dry immediately. To protect the finish, avoid the use of abrasive sponges, chemicals, detergents and household cleaners.

SPECIAL NEEDS/ADDITIONAL INFO

Sandcasting gives the aluminium table top a lightly textured surface. Due to the textured finish, natural imperfections may appear.

This item is hand crafted and hand finished. No two pieces will look alike.
